Commences with Bristle gales from N North and rugged stowed down the deck but 3 or 4 saw hump and fin backs at sunset took in sail head to the Eastward the wind N North nothing in sight Middle part Bristle gales and foggy worse Ship occasion required Latter part a thick hazy air saw hump backs four men sick getting better so ends this tedious and unpleasant Day

Lat Obs 40:45: South

Remarks
on
Monday
Oct
the 29th
1827

Commences with thick unpleasant weather
and fresh gales from the North by
head to the Eastward under short sail
at 4 P M wore to the westward Middle
part heavy rain with thunder and
lightning the wind shifted to South
and blew fresh by on the same tack
at Day light wore to the W at 9 A M set
the foresail the wind South saw nothing
four men sick so ends Sat Obs: 40° 56' S

Remarks
on
Tuesday
Oct
the 30th
1827

Commences with fresh gales from
South and overcast weather kept
the head of the Ship W S W under
foresail and Main topsail nothing in sight
all employed on the cutting falls and
rigging and fluke rope and Sea
at night lured by the wind to the westward
Middle part fresh gales at Day light
Made sail the weather better steered to
the S W saw pinbacks 3 men off Duty
employed clearing bone at noon wore
Ship and steered S E Lat by Obs: 40° 16'

Remarks
on
Wednesday
Oct
the 31st
1827

Commences with good weather and moderate
gales from S W plenty of pinbacks
in sight employed in stowing bone
and repairing the rigging head S E
at 3 P M saw Whales and Toward could not
strike at 6 took in sail head to the Westward
at Day light Made sail and steered East
saw one Whale Toward and chased could
not strike all hands on Duty
so ends this Day

Commences with strong trades from S E
steering by E all sail out at 4 P M spoke
the Ship Grand Turk of New Bedford
with 1800 bbls of oil steering the same
went on Board 4 or 5 minutes in consequence
of a Miss understanding as I took the Ship
to be the Shewcher My Brother, therefore
Did not hail as I should had I known
the Ship, Capt. Taber hailed me first
I thinking it the Shewcher and also thinking
My Brother knew me he asked me what
ship that was I answered the Shewcher
of New Bedford he knowing it not
to be the Ship heeded by the wind and
Backed his Main yard also asked me on
Board not knowing my Ship I also went
to explain the cause of my hailing as I
did which caused a laugh between Capt. T
and myself came aboard by on board
again and Mac all sail as before
Middle part Bristle trades Latter
the same employed stocking the anchor
and repairing the Waist Boat and
So the Grand Turk in sight
7 Men sick so ends this Day

New York Bound to Havre Degre
we steered S by E at 2 P M sounded
got 40 fathoms of Water fine Black
and White sand still steered S by E
at 7 P M Double reefed the topsails
took in the courses and hove to with
the head yards aback head S E wind
S S W 42 fathoms of Water green muddy
Bottom a thick fog at 11 P M the fog
lighted at 2 P M kept off and steered
S by E at Day light Made all sail stood
in until 8 then set in a thick fog
then took in the light sails and
steered East sounded every two hours
at noon hauled up the courses and
lay by to get some fish caught 3
18 fathoms of Water saw two sail
so ends this Day No Obs this Day

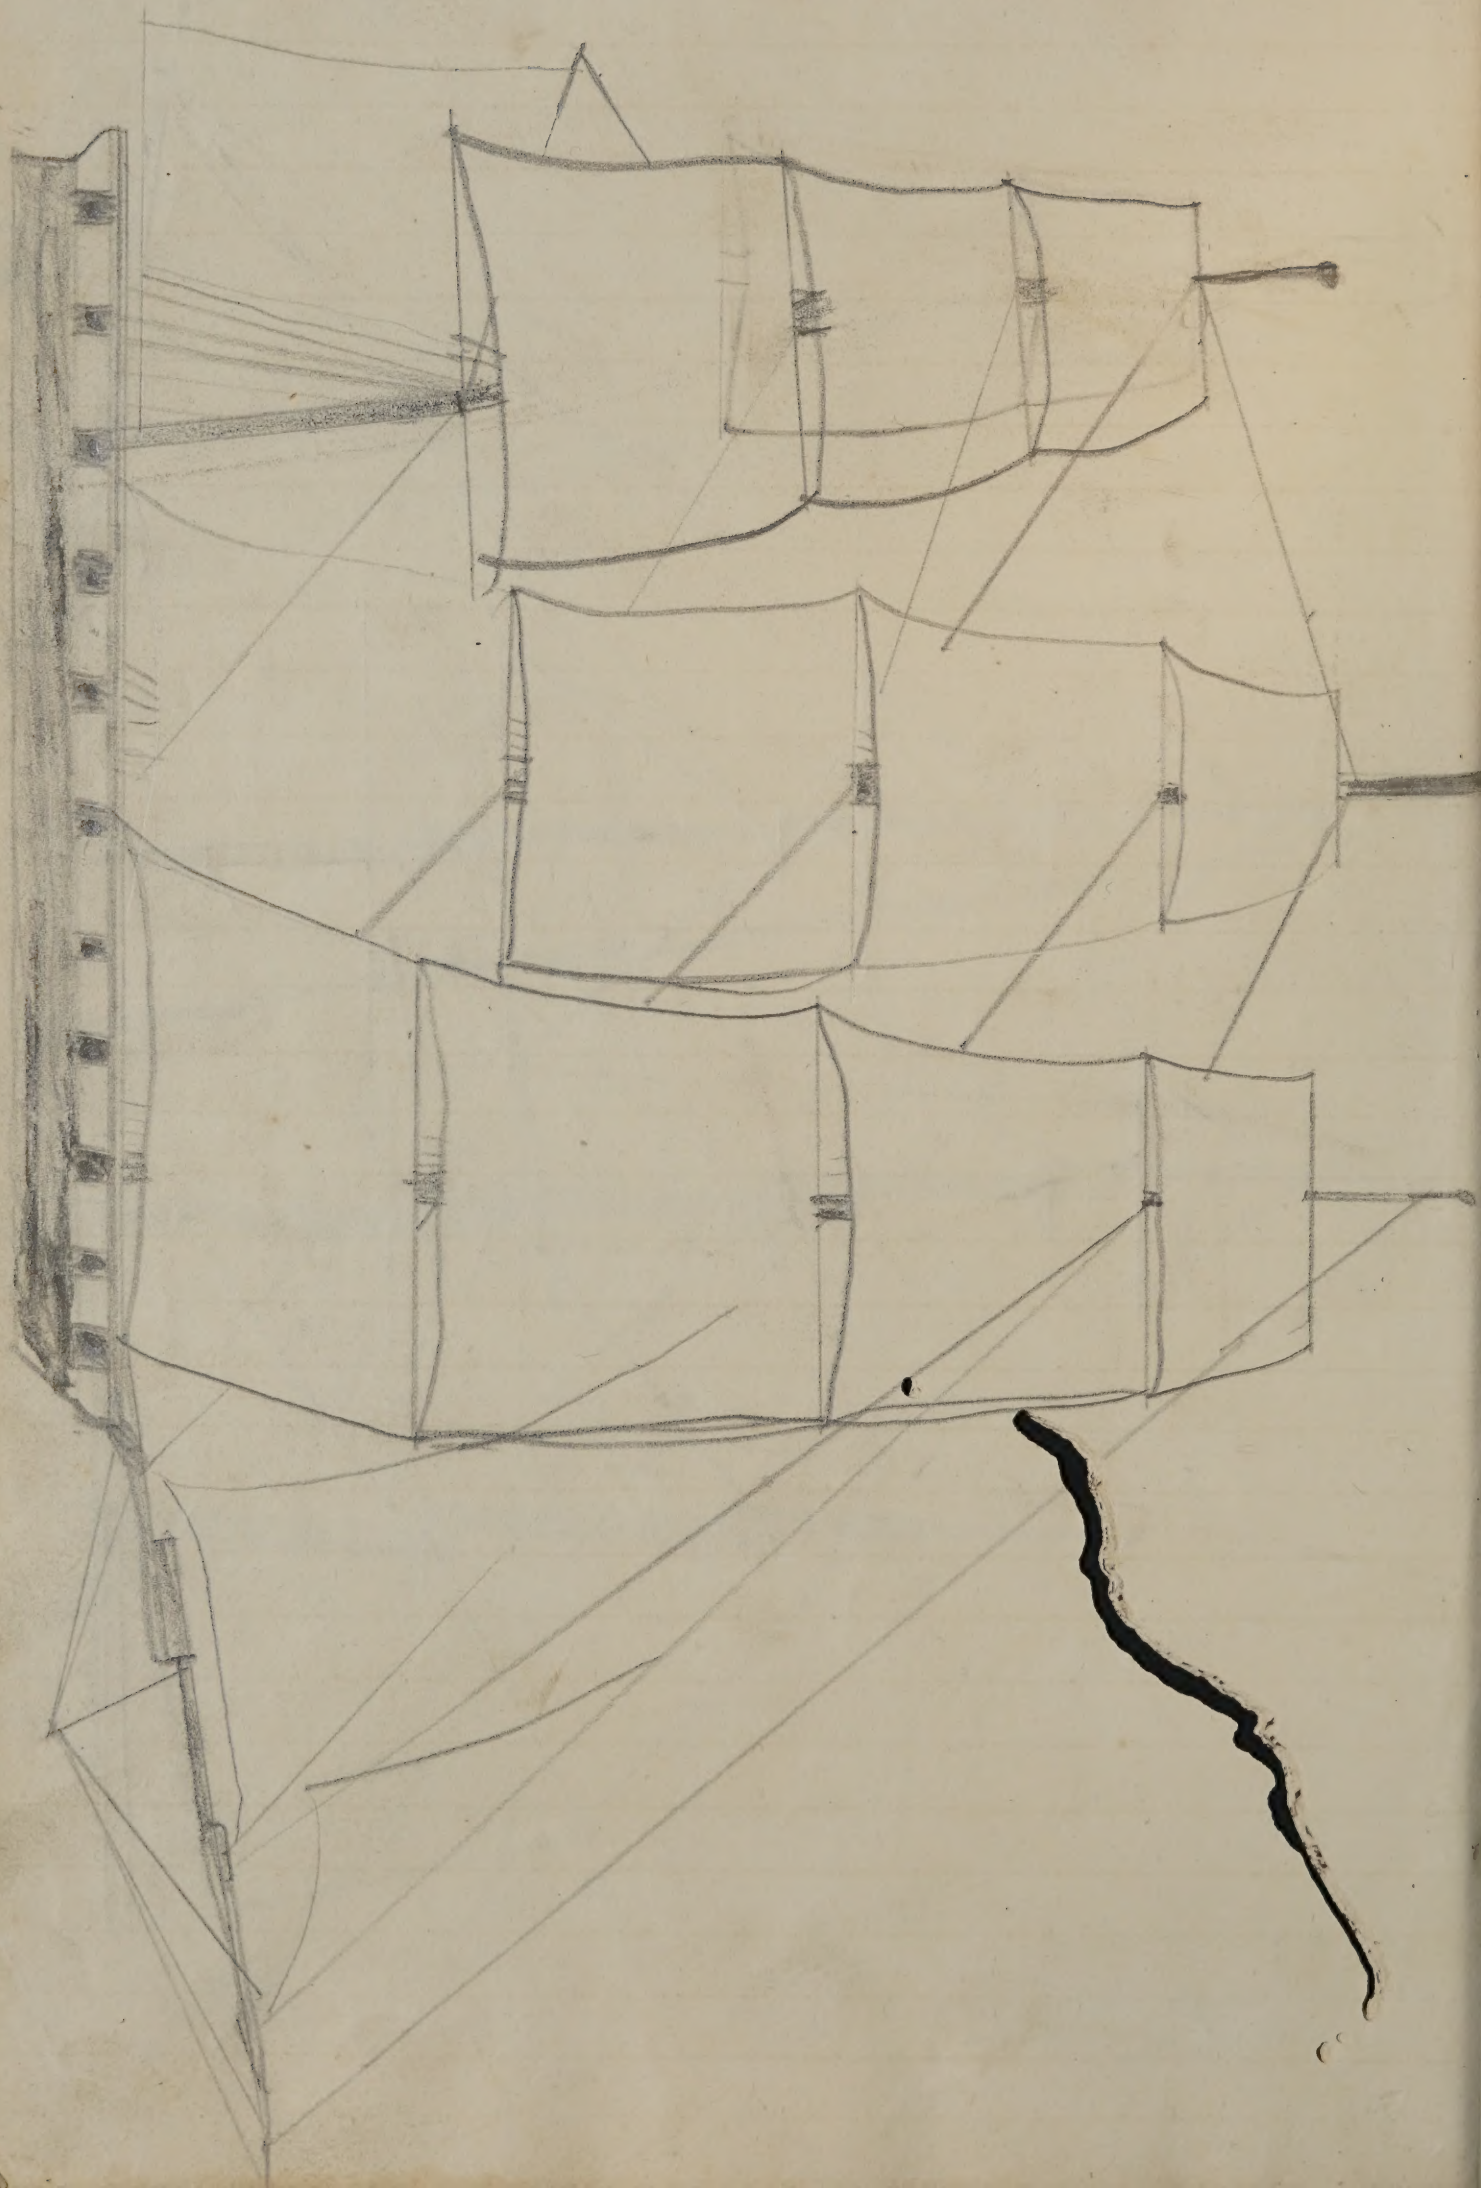

Remarks
on
Thursday
June
the 19th
— 1828 —

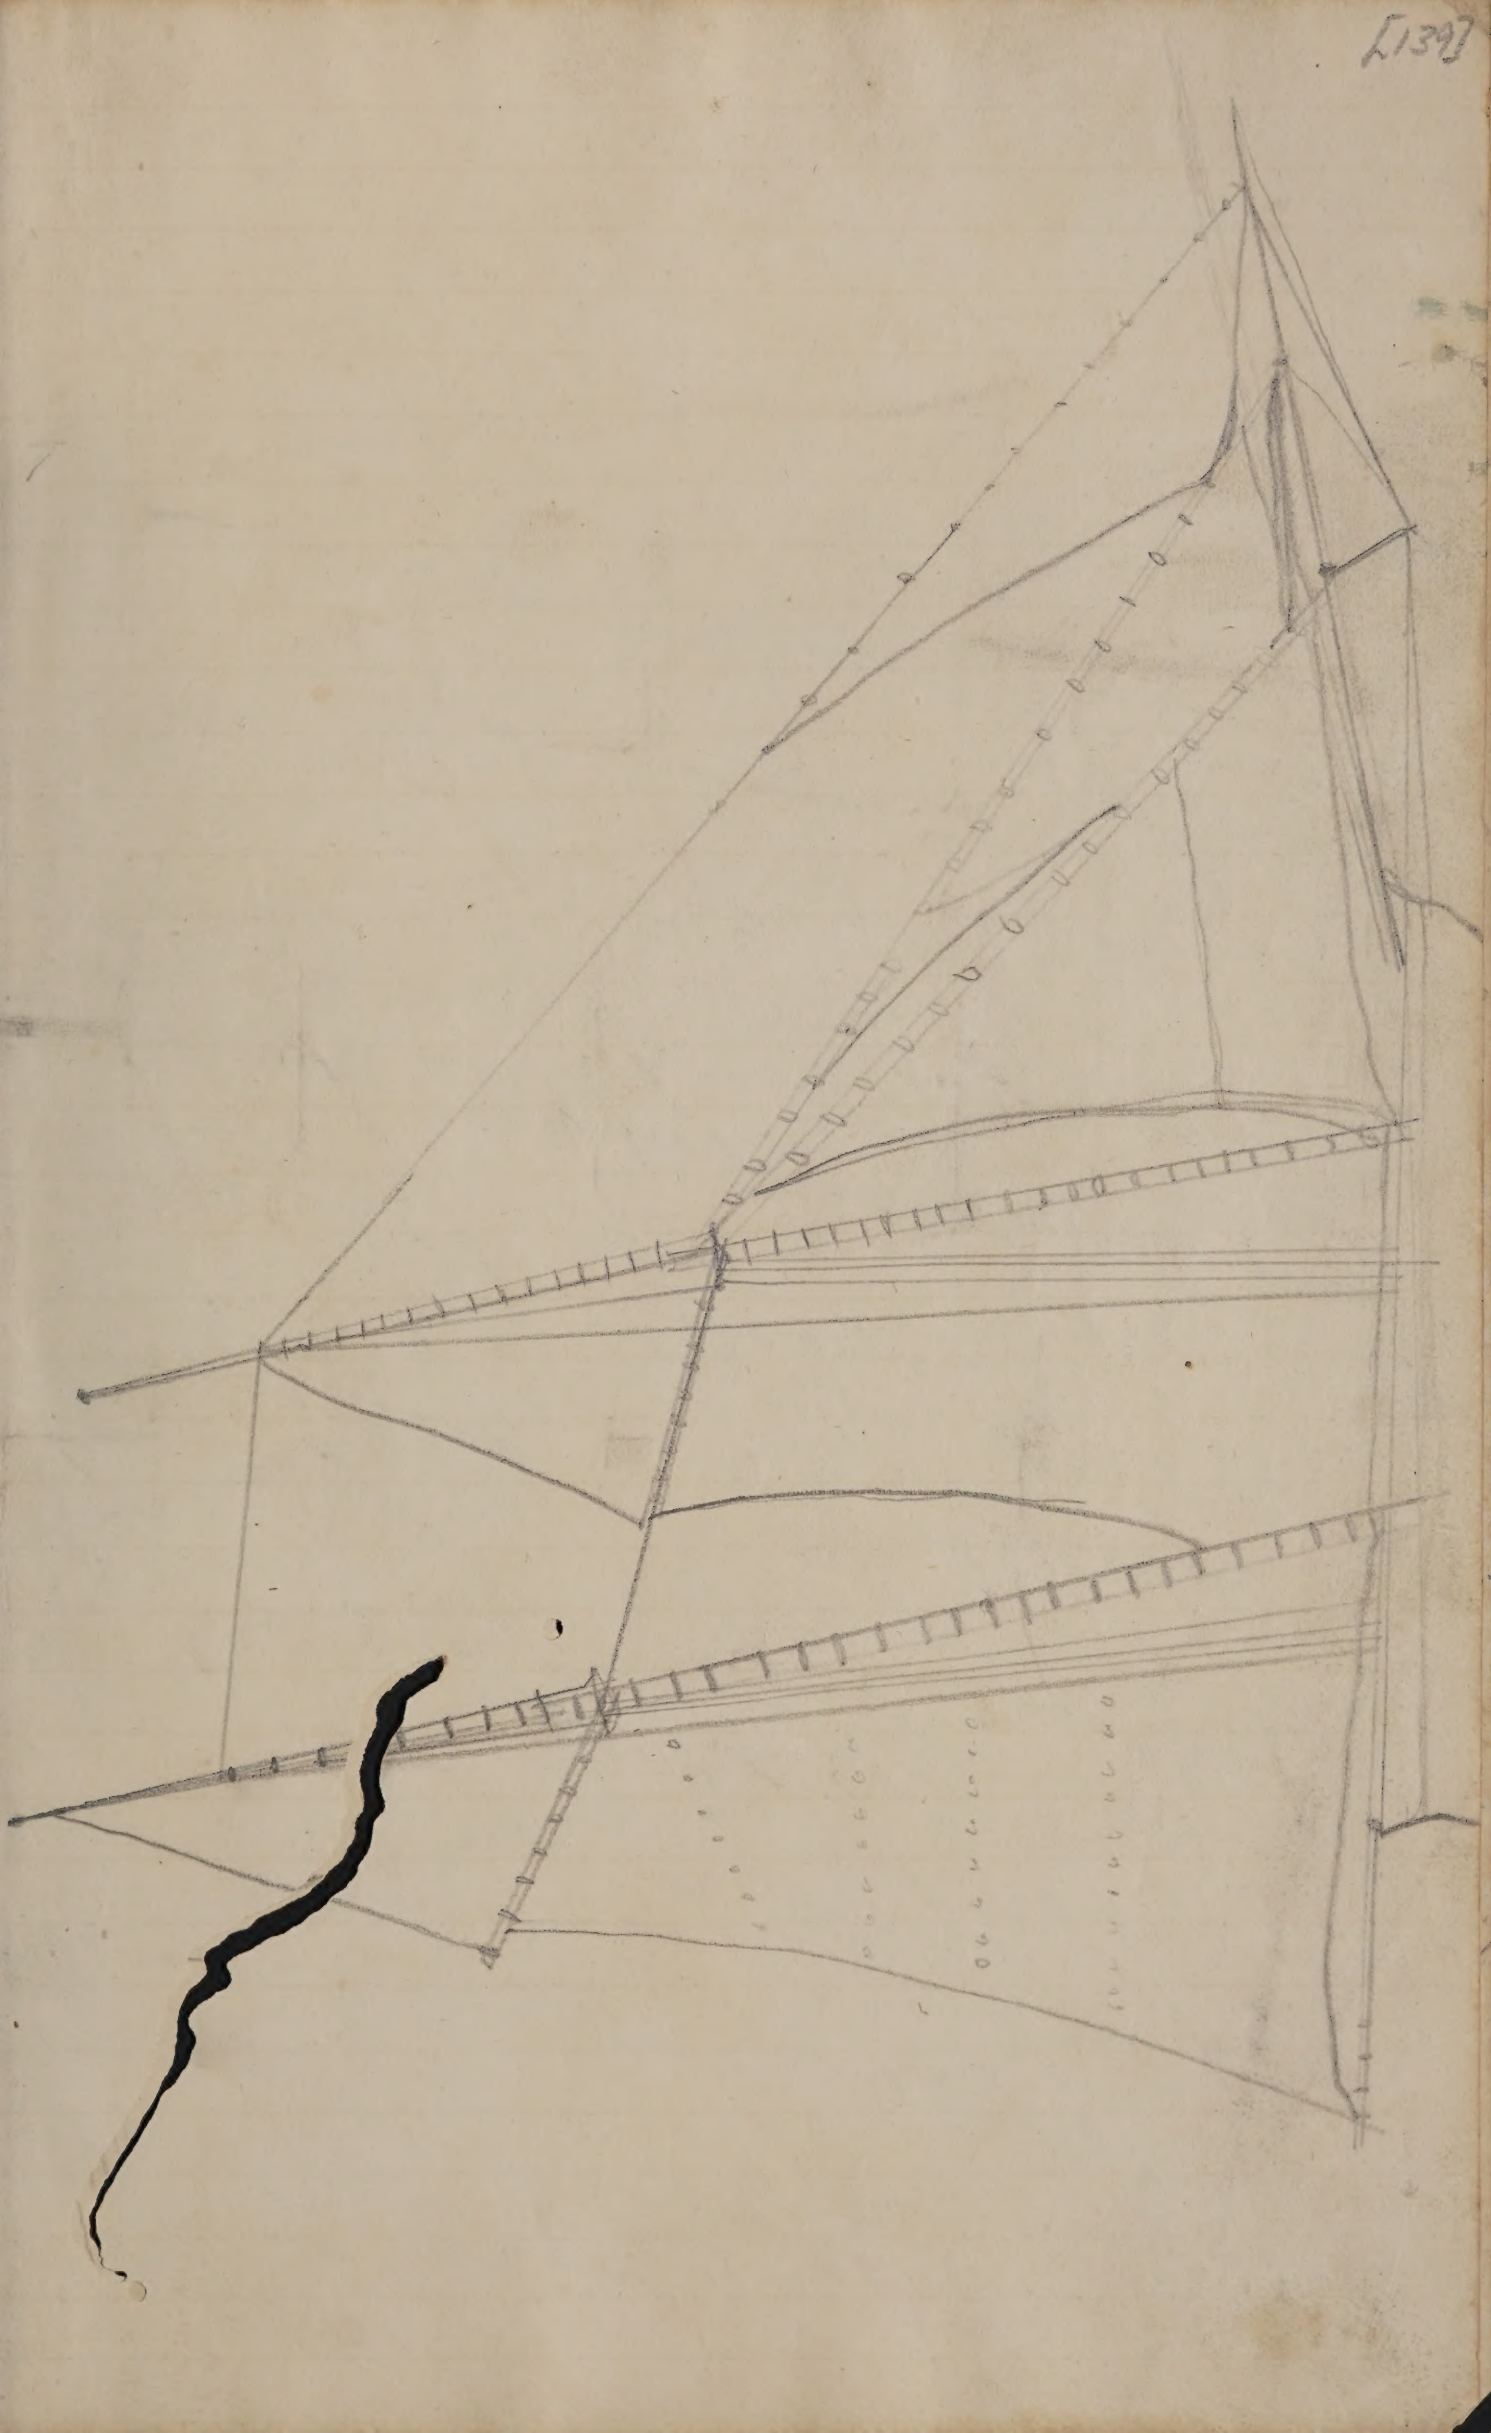

Commences with Brisk gales from
S S W and a thick fog at 1 P M braced
foreward set the foresail stood S E sharp
by at 4 P M tacked to the westward
hauled up the foresail and lay by with
the head yards aback 5 fathoms of Wa
fine sand at 8 P M the fog lighted stood
in for the land spoke the name E
and Charles at 9:30 saw the land
the East end of the vineyard at 11:30 got
a pilot and came round caproyed the
the cape at 12 P M
so ends this Day
